166. On December 16, 1986 after performing Percolation Tests
2003 DEC 20 12:45
and getting the same refusal from the Board of Health,
we stopped all of our efforts as the Board of Health
refused any testing that we performed.

Mr. Bosco the Board of Health Representative was
present as a witness to the Percolation Testing.

After being rejected by the Town of Hingham Board of
Health we advised Brian Lewis that we were unable to
convince the Board of Health to accept our Percolation
Testing and we both withdrew our agreement.

167. On April 3, through April 29, 1987, Brian Lewis
obtained the following approvals:

Brian Lewis had Perkins Engineering, Inc., draw up a
plan for, "Approval Under the Subdivision Control Law
Not Required."

Brian Lewis filed his "Application for Endorsement
(Form A) with the Planning Board."

The Planning Board (7) days later stamped the plan
approved. See Paragraphs 35 and 36 above.

Mr. Bosco in one year gave the Plaintiff (1) passing
Percolation Test.
